

TRUE PITCH, INC. • MODEL 318-G

The True Pitch, Inc. 318-G is an 18' pitching mound constructed of a fiberglass base covered with your choice of turf options.

The mound is constructed according to the dimensions presented in the NCAA Rule book and meets all NCAA requirements. The mound is built in three individual interlocking sections to allow for shipping and ease of assembly and portability at the point of use.

These sections can be carried by three or four athletes or placed on a small maintenance trailer for movement to and from the field of play.
